

A sign recently observed at a Business Establishment in Philadelphia, PA:

**WE WOULD RATHER DO BUSINESS
WITH 1000 ARAB TERRORISTS
THAN WITH A SINGLE JEW.**

This sign was prominently displayed in the front window of a business in Philadelphia. Most folks would be outraged at the thought of such an inflammatory statement. . . One would expect anti-hate groups from all across the country to march on this business . . . And that the National Guard might have to be called to keep the angry crowds back . . .

But, perhaps in these stressful times, one might be tempted to let the proprietors simply make their statement . . .

We are a society who holds Freedom of Speech as perhaps our greatest liberty . . . And after all it is just a sign . . .

You must be asking. . . What kind of business would dare post such a sign?

The answer: **Goldberg's Funeral Home.**

Why do you think the Goldbergs - a Jewish family - displayed the sign?
