

VERY GRAPHIC PHOTOS OF WORLD WAR 1

You will be directed to the following website where you will be exposed to some very amazing and horrifying photos. Each photo can be enlarged by clicking on the picture. To continue you can click on the picture. I want you to react especially to the photos of trench war fare(**“for example the photo: “Dead in the Trenches,” the photo: “Miserable,” the photo: : Stiffened,” the photos: “To The Trenches,” also the photo: “ With Pride,”: What is the connection here to the poem Beginning with 1914? How do you think this experience of war impacted those soldiers if they returned alive to Germany after the war ended? What was the impact of those who died the way they did on the surviving soldiers?**

Note the photo of the children in uniform? (“Not Old Enough – Yet?) What connection can you draw with what took place with German youth under Hitler and the Nazis? Discuss this carefully: it is very significant!
